

## Action taken report

**(Meeting held on 25.07.22)**

- Process of preparing AQAR for year 2022-23 is in progress according to the time frame.
- Sessional Examinations have been successfully conducted and centralized evaluation was held within college campus. Valuable suggestions were given to improve the quality of assignments.
- The presences of students in the class have been improved significantly.
- Seminar on National Education policy has been organized in the collage in which all faculty members have been participated. Teachers also participated in other Seminars, workshops, and Faculty Development Programs.
