Feedback Action taken report:

- On the demand of Students College IQAC decided to install projectors in every lecture hall as per requirement.
- A part from this, the students demanded that the drinking water system should be installed in every faculty of the college, which was sent to the college's management.
- Some students wanted it to be given more facilities to play. In this regard Hon'ble Principal of formed a committee of three members related to the Sports Council of College and asked it to submit its report in a week.
