Report of analysis of feedback

Objectives of feedback:

The feedback has three main objectives –

- ✓ To provide students with the opportunity to comment on the quality of their learning experiences.
- ✓ To assess the success of education and learning provisions in relation to the expectations of students.
- ✓ To provide feedback to teachers, concerning officer and Boards of Management in order to improve delivery and /or content of the study – unit and or program.
- ✓ To improve the quality of education of courses in campus.
- ✓ To maintain vibrant atmosphere for the students and stakeholders in campus

Methodology:

The college focuses immensely on its efforts of maintaining quality education the feedback received from students and stakeholders. The survey for feedback asks questions that will provide information about implementation support, enhanced knowledge and changed practice. The sample size of study is 100, where in 50 respondents represent Graduation Students, and 50 respondents represent Post Graduation & Professional courses students like B.Ed, B.P,Ed & M.Ed. The data has been collected directly from the students through questionnaire. The students feedback provides an opportunity to the college of enriching its academic, administrative, financial functioning.
